We may cancel your policy where there are serious grounds to do so, this includes;

- failure to meet the terms and conditions of this policy;

- where we reasonably suspect fraud or misrepresentation. Please see General Condition 10 - Fraud;
- changes to your policy details or circumstances that we do not cover under our policy; or
- use of threatening or abusive behaviour or language, or intimidation or harassment of our staff or suppliers.

You may cancel this policy by contacting your insurance advisor. Your policy will be cancelled from the date you request, or the date your request is received, whichever is the later.

If you cancel the policy before the first renewal date, we will refund the part of the premium you have not yet used less a charge of £50 plus Insurance Premium Tax except where an incident has occurred that may give rise to a prejudicial claim. If such an incident has occurred the full annual premium will be due to us.

If you cancel the policy after the first renewal date, we will refund the part of the premium you have not yet used less a charge of £25 plus Insurance Premium Tax except where an incident has occurred that may give rise to a prejudicial claim. You must do all you reasonably can to protect your car from damage or theft and keep it in a good and roadworthy condition. Where required by law, your car must have a current Department Of Transport test certificate (MOT). If we ask, you must allow us, or our representative, to inspect your car at any reasonable time.

## 10 Fraud

If you or anyone acting on your behalf make any false or fraudulent claim or supports a claim by false or fraudulent document, device or statement, this policy shall be void and you will forfeit all rights under the policy. In such circumstances, we retain the right to keep the premium and to recover any sums paid by way of benefit under the policy.

If you have any doubts as to whether or not any car sharing you have arranged is covered by this policy, please contact us or your insurance advisor.

## 13 Changing your details

You must tell us about any changes that may affect your policy cover. If we are not informed of any changes this may affect your ability to claim under your policy.

To reduce costs we will not refund or charge amounts less than £25 plus Insurance Premium Tax.

In some circumstances we may not be able to continue your policy following the changes, where this happens you will be told and the policy will be cancelled in line with the provisions of General Condition 7.

# Protecting Your Car and Belongings

## The following information is for guidance only; it does not form part of your policy

Remove the ignition key or other removable ignition device when you get out of the car, even when parking in your own drive or at a petrol station. Your policy may not cover you if your car is unoccupied with the keys inside it or on it.

Never leave a door unlocked or a window or sunroof open, even when just going into a shop for a moment or two. If you use the key fob check the car has actually locked before you leave it. Your policy may not cover you if you do not protect your car against damage or theft.

Don't leave any belongings in your car. A thief won't know that a bag or coat doesn't contain something valuable and might break a window to get at it. If you can't take them with you, lock them out of sight. If you have a removable sat nav remove the cradle as well as the device plus any suction marks that could show that it is in your car.

Don't leave money, credit cards or cheque books in the glove compartment.

Never leave your car documents in the car; they could help a thief to sell it.

If you can, leave the car in a locked garage and lock your car and the garage. If you do not have a garage, try to park in a well-lit, open space.

At home, ensure your car keys are kept in a safe place, out of sight and away from windows and doors.

When parking in a public car park, look for one that is well supervised, with restricted entry and exit points, good lighting and security cameras. Wherever possible use Park Mark ® car parks – details of approved Park Mark ® car parks can be found on [www.parkmark.co.uk](http://www.parkmark.co.uk).

Etch the car's registration number on all glass surfaces – windows, sunroofs etc. Thieves don't want the expense of replacement.

If your car is not fitted with an alarm or immobiliser, consider fitting one which is Thatcham approved. Also think about fitting a tracking device especially if you have a high-performance or an expensive car.

## Remember!

Your policy may not cover loss of your car, accessories or spare parts if your ignition key or other removable ignition device is in, or on, an unoccupied car.
