Very Important Notice

Useful hints and tips to help you to protect your home

Please read this notice carefully as the advice it contains could help to prevent damage to your home. We are committed to supporting you with practical solutions to help you avoid some of the most common causes of damage.

Freeze and Escape of Water

- 1 If you leave your home unattended, leave the heating on low (around 15°C).
- 2 Know where the water shut-off valve (stopcock) is to isolate the supply in an emergency.
- 3 Lag pipes in the loft and check that the header and water tanks are insulated.
- 4 Lag outside water taps to prevent them freezing and pipes bursting.
- 5 In severe cold weather open the loft hatch to warm the void.
- 6 Plastic plumbing joints will probably degrade sooner than metal ones, so keep an eye out for the slightest hint of water.
- 7 If you are going to be away for an extended period, consider draining down your plumbing and heating system, but please do so with professional advice.

Storm

- 1 Regularly check the condition of all roofs. In particular check garage, shed and flat roofs for signs of wear and tear, as this is of particular importance in heavy snow with the unexpected additional weight.
- 2 Keep gutters, gullies and drains clear to carry water away quickly and efficiently.
- 3 A blocked downpipe with trapped rainwater may crack or shatter in freezing conditions.
- 4 Consider cutting back low hanging tree branches which could cause damage in high winds.

Please note: Buildings in sound condition will be able to cope with most weather conditions. Please remember insurance is not a maintenance contract and you are responsible for maintaining your property in a good state of repair.

Theft

- 1 Burglar Alarms; the sirenbox will act as a visual deterrent to some extent and dummy sirens can be purchased cheaply. Choose a system that lets off an alarm or one that dials a programmed number such as your mobile phone.
- 2 It is highly recommended that your external doors are strong, in good condition and secured to a high standard. Fitting a five lever mortice deadlock or extra sliding bolts will improve security. French doors should be fitted with top and bottom mortice locks on both doors.
- 3 Burglars often check convenient locations for a spare key. It is advisable to ensure that keys are not within easy reach of the letter box.

Fire

- 1 A properly functioning smoke detector will alert you in the early stages of a fire giving as much time as possible to make an escape. Test your detector regularly.
- 2 Avoid leaving candles left unattended or in a place likely to be knocked over.
- 3 It is advisable to have extinguishers in the home.
- 4 Do not fill a chip pan with more than one third of fat or oil. Do not place food in the pan if the fat or oil is giving off smoke.
- 5 Always switch off electric blankets before getting into bed. Make sure they have a safety check at least once every 3 years and contain a current safety mark.

VERY IMPORTANT NOTICE

Please note that this home insurance policy is designed to insure your property against loss or damage. It does not cover the maintenance of your home.

That means we will not cover the cost of wear and tear or maintenance costs such as defective rendering, repointing chimneys or general roof maintenance.

We also do not cover damage that happens over time such as damp, rot or damage from vermin.

You should keep your property in good repair, and take reasonable steps to avoid loss or damage.

House Guard Extra Policy

This is **your** insurance policy. It is a contract of insurance between **you** and **us**, and is made up of this booklet and **your schedule**. It is based on the statements and information **you** gave **us** or the information that was given on **your** behalf when **you** applied for the insurance. That information may have been given to **us** on a **proposal form**, on a **statement of fact** or during a phone conversation. **We** used that information to assess the cover **we** would provide for **you** and to set the premium and policy conditions **we** need for that cover.

If **you** filled in a **proposal form**, **we** will send **you** a copy of it if **you** ask **us** to. If **you** did not fill in a **proposal form**, **you** should already have a copy of all the information **you** gave **us**. **You** must check this information carefully and let **us** know immediately if any part of the information **you** gave **us** is wrong.

You should read this policy booklet and **your schedule** together. Please check them carefully to make sure they give **you** the cover **you** want. **You** have 14 days from when **you** receive **your** policy documents or enter into this contract, whichever is later, to write to **us** if **you** want to cancel **your** policy. This is known as a cooling-off period. If **you** cancel **your** policy during this period of time, provided **you** have not made a claim, **we** will refund **your** full premium, less an administration charge of £25 (subject to Insurance Premium Tax where applicable). If any claim has been made during the period of cover provided, **we** will also deduct the cost of any payments made from the refund due.

If **your** needs change or any of the information on which the contract is based changes, **we** might need to alter the **schedule**. Under the policy conditions, **you** must tell **us** about any changes. **We** will update the contract every time **we** agree to an alteration. **We** will give **you** a new **schedule** each time **we** renew the contract or make an alteration. If **you** ask **us** to, **we** will send **you** a new policy booklet when **you** renew **your** policy.

We agree to insure **you** under the terms and conditions set out in this policy booklet and the sections shown in the **schedule** for loss, damage, injury or liability that happens during the **period of insurance**.

Claims under section 3 - Personal legal protection covers claims that are made during the **period of insurance**.

Your schedule tells **you** which sections of this policy booklet apply. Opposite each heading of cover on those pages **you** will find some exceptions that tell **you** what is not insured under that heading. There are also some general exclusions on page 15 that apply to all of the contract of insurance.

You agree to pay the premium and to keep to the conditions of the policy.

Thank **you** for choosing Ageas Insurance.

Signed

Mark Cliff
Managing Director

Policy conditions

1 Basis of the contract

This contract is based on the **statement of fact**, or the **proposal form** and declaration, this policy booklet and the **schedule**.

When **you** arranged this insurance:

- **you** gave **us** information which is shown on the **statement of fact**; or
- **you** signed a declaration on the **proposal form** to say that the information on the form and any other information **you** have given **us** is true and correct as far as **you** know.

The insurance will not be valid if:

- any information **you** have given **us** is not true and correct; or
- **you** do not keep to the conditions of the policy.

You cannot make a claim if the insurance is not valid.

2 The law that applies

Unless **we** have agreed differently with **you** in writing, this contract will be governed by English law, and **you** and **we** agree to submit to the non-exclusive jurisdiction of the courts of England and Wales (unless **you** live in Jersey in which case the law of Jersey will apply and the Jersey courts will have exclusive jurisdiction).

3 Rights of third parties

Nothing contained in this contract gives anyone else any rights under the Contracts (Rights of Third Parties) Act 1999 or any legislation that amends the Act.

4 Changes

You must immediately write and tell **us** about any change that could affect this insurance. If **you** do not tell **us** about any change to a material fact, this insurance will no longer be valid. (Material facts are ones that might influence **our** decision to insure **you**, the conditions of the insurance or the premium **we** want to charge. If **you** are not sure whether a fact is material, **you** should tell **us** about it).

In particular, **you** must tell **us**:

- if **you** change **your** address;
- if **you**, or any person named in **your schedule**, change job;
- if **you** or **your family** receive a county court judgement or conviction, or are prosecuted (except for

motoring offences where a prison sentence has not been served);

- about any changes to **your buildings** that will increase the rebuilding costs;
- about any increase in the value of **your contents** or **Personal belongings**;
- if someone other than a member of **your family** comes to live with **you**; and
- if **your home** will be **unoccupied** for more than 30 days in a row.

Please remember that if **you** do not tell **us** about changes, it may affect any claim **you** make. These changes may result in a change to **your** premium and/or **excess**. **We** will not request from **you** or refund to **you**, any difference in premium following a change being made to **your** policy during the **period of insurance** if it is less than £10.

5 Precautions

You must take reasonable care to:

- keep **your home** in a good state of repair; and
- avoid or limit any loss, damage or injury.

6 Security

If **you** live in certain areas, **we** may insist that **you** have high-security locks and, in some cases, an alarm system fitted. To reduce **your** premium, **you** may have told **us** that **you** have these locks or an approved alarm.

We will print an endorsement on **your schedule** showing the security measures **you** have told **us** are fitted, when **you** must use them and the cover that is excluded if **you** do not use them. If **we** have insisted that **you** have this security, but it is not fitted or **you** do not keep it in good working order, the cover under the policy will not be valid for theft, attempted theft or malicious damage.

7 Cancelling the policy and the cooling-off period

An administration charge of £25 (subject to Insurance Premium Tax) applies to all cancellations.

You have 14 days from when **you** receive **your** policy documents or enter into this contract, whichever is later, to write to **us** if **you** want to cancel **your** policy. This is known as a cooling-off period. If **you** cancel **your** policy during this period of time, provided **you** have not made a claim, **we** will refund **your** full premium, less the administration

charge. If any claim has been made during the period of cover provided, **we** will also deduct the cost of any payments made from the refund due.

You may cancel **your** policy any time after the cooling-off period by telephoning or writing to **us**. As long as **you** have not made a claim, **we** will refund **you** for the time that was left on **your** policy, less the administration charge. If any claim has been made during the period of cover provided, **you** must pay the full annual premium and **you** will not be entitled to any refund.

We or anyone **we** authorise can cancel this policy at any time by sending **you** fourteen days' notice in writing. **We** will send the notice to the last known address we have for **you**. As long as **you** have not made a claim, **we** will refund **you** for the time that was left on **your** policy, less the administration charge. If any claim has been made during the period of cover provided, **you** must pay the full annual premium and **you** will not be entitled to any refund.

For cancellation of Section 3 – Personal Legal Protection, please see page 45 of **your** policy.

8 Other insurances

If **you** have any other insurance policies that cover the same loss, damage or liability as this policy, **we** will only pay **our** share of any claim.

9 Fraudulent claims

We will not pay for any claim that is in any way fraudulent or exaggerated, or if **you** or anyone acting for **you** uses fraud to get benefits under the policy. If **you** do, **we** will cancel the policy and **we** will not refund any premiums.

10 Data Protection Notice

Please refer to the Data Protection Notice on page 49, which contains important information about **our** use of **your** personal details.

Please make sure that **you** read the Data Protection Notice carefully.

By taking out this insurance policy, **you** confirm that **we** may use **your** personal information in this way. As the terms of the Data Protection Notice will also apply to anyone else insured under **your** policy, **you** should also show the Data Protection Notice to anyone else whose name **you** give to **us** in connection with **your** policy.

11 How to make a claim

If **you** are aware of an **incident** that might give rise to a claim or **you** need to make a claim, **you** must do the following as soon as possible.

Buildings and/or Contents

Call **our** claims helpline on **0845 122 3019** to report the **incident**.

- Tell the police as soon as reasonably possible if something is lost or if **you** suspect theft or malicious damage.
- Take all practical steps to get back any property which has been lost.
- If **we** have asked **you** to fill in a claim form, send this back to **us**, with everything **we** have asked for, within 30 days of **us** sending it to **you**.
- Immediately send **us** any written claim which is made against **you**, and give **us** full details of any verbal claims made against **you**.
- Take reasonable action to protect the property from further loss or damage.

You must not:

- throw away, get rid of or destroy any items that are damaged until **we** say so;
- admit or deny responsibility for any **incident**; or
- negotiate or settle any claims made against **you** by anyone else, unless **we** agree in writing that **you** can.

We can negotiate, defend or settle, in **your** name and on **your** behalf, any claims made against **you**. **We** can also take legal action in **your** name but for **our** benefit to get back any payment **we** have made under this policy.

Personal legal protection

If **you** or **your family** are claiming for legal protection, please phone 0845 122 8943 between the hours of 9.00am and 5.00pm, Monday to Friday.

Under no circumstances should **you** or **your family** instruct a solicitor as **we** will not pay their costs and it could stop the claim from being covered.

- **We** will take details over the phone and send out a claim form which should be completed and returned.
- On receipt of the fully completed claim form **we** will

Policy conditions - continued

assess the circumstances and make sure that the claim is covered. **We** cannot help if it is more likely than not that the dispute would be lost in court since it will not be possible to achieve the remedy being sought if that is the case.

- On acceptance of a claim **we** will arrange for a solicitor to quickly contact **you** or (**your family**) to progress the case. The solicitor will try to resolve the dispute without delay however matters cannot always be resolved quickly if the other side is slow to co-operate or a legal time table is decided by the courts.

12 How we will settle your claim

When settling **your** claim **we** have the following options available to **us** and **we** will decide which is most appropriate:

- Repair
- Replace
- Rebuild
- Payment

We may offer to repair, replace or rebuild any loss or damage through one of **our** approved suppliers, however, should **you** prefer to use **your** own supplier **you** may, providing **you** agree this with **us** beforehand. Should **you** use **your** own supplier, any payment made would not normally exceed the discounted amount **we** would have paid **our** approved supplier. All **our** repairs are guaranteed for one year.

If **we** decide it is not appropriate to repair, rebuild or replace **your buildings** and/or **contents**, **we** will send **you** a payment representing:

- the amount by which the **buildings** and/or **contents** has gone down in value as a result of the claim; or
- the estimated cost to repair, replace or rebuild **your buildings** and/or **contents**;

whichever is the lowest.

If **you** are insured for **your buildings** and **your contents** under the same policy, **we** will take off the **excess** under only one cover if **you** make a claim under both covers for the same **incident**. **We** may take any outstanding premium from any payment **we** make.

Important

You must make sure that the **maximum claim limit** is correct.

- Under section 1 - **Buildings**, the **maximum claim limit** must be enough to fully rebuild **your home**, including the cost of demolishing any existing structures (if needed) and removing debris.
- Under section 2 - **Contents**, the **maximum claim limit** must be enough to replace all the **contents** of **your home** with new items of the same or nearest equivalent quality and type.
- For **specified** items of **personal belongings**, **high-risk** property or any other **specified** item, the amount shown on the **schedule** must be enough to replace the item as new.

When an **incident** happens:

- if the **maximum claim limit** under any section is less than the current cost of replacing, repairing or rebuilding the property as new; or
- if any amount shown in the **schedule** for **personal belongings**, **high-risk property**, pedal cycles or any other **specified** item is less than the current cost of replacing the item as new;

we may either:

- pay only part of the value of the claim. (For example, if the sum insured is only one third of the actual replacement or rebuild cost, **we** will only pay **you** one third of any valid claim.)
- refuse to pay **your** claim.

Matching pairs or sets

We treat each separate item of a matching pair or set, or set of furniture, sanitary suite or fittings, soft furnishings or other fixtures and fittings, as a single item. **We** will only pay for lost or damaged items. **We** will not pay for the cost of replacing, recovering or remodelling undamaged pieces, or pieces which have not been lost or damaged, just because it forms part of a set, suite or one of a number of items similar in nature, colour or design. If an item in a set is lost or damaged, the other pieces of the set may lose some value, even if they have not been physically damaged themselves.

This loss of value is not covered by the policy.

Matching carpets

If **you** have a matching carpet or other floor covering in more than one room or area, **we** treat each room or area as separate. **We** will only pay for the damage to the carpet or floor covering in the room or area where the damage happened.

Buildings section

If **you** keep **your buildings** in good repair, **we** will pay the cost of repairing, replacing or rebuilding the **buildings**, but **we** will take off an amount (if appropriate) for wear and tear if **you** claim for:

- flat or felt roofs; or
- gates or fences damaged by falling trees.

Protecting sums insured

The **maximum claim limit** under the **buildings** and **contents** sections will not be reduced if **you** make a claim.

Contents section and its extensions

We will take off an amount (if appropriate) for wear and tear if **you** claim for loss of or damage to:

- clothes and household linen (unless **you** can prove they are less than three years old); or
- pedal cycles (unless **you** can prove they are less than three years old).

13 Material facts

We accepted **your** application for insurance because the information and facts that **you** gave about yourself allowed **us** to assess the chance of **you** suffering a loss, based on statistics that **we** have gathered over many years. The information allowed **us** to decide what premium to charge **you** and what conditions should apply to **your** cover.

The information that helps **us** to assess the chance of **you** suffering a loss is called 'material facts'. If any of these 'material facts' were incorrect or have changed, or if **you** have not told **us** about something that might have influenced **our** assessment, and **you** have not received **our** written agreement to the change or extra information, **your** policy may not be valid. If the policy is not valid, **you** cannot make a claim. If **you** are not sure whether a fact is material, **you** should tell **us** about it.

As a guide, here are a few examples of changes to material facts. The list does not cover all possible changes. If **you** are not sure whether a fact is material, **you** should tell **us** about it immediately.

Example a

The contract of insurance covers **you** if **your home** is **unoccupied** for up to 30 days in a row. **You** have told **us** that **your home** will not be left **unoccupied** for more than 30 days in a row. If this changes and **your home** will be left **unoccupied** for longer than 30 days in a row, **you** must tell **us**. This is a material fact as it affects **our** assessment of the risk. If the **home** is left **unoccupied** for more than 30 days, the chances of a loss arising increase and any damage is likely to be greater than it would be if the property was occupied. So, **our** assessment of the risk would be different for an **unoccupied** property.

Example b

The property covered by this policy is shown in **your schedule** of insurance. If **you** change **your** address, this may influence the premium or the cover **we** are prepared to provide. **You** may need to have a higher level of security, for example, special locks are a condition for cover in some areas of the country. So, a change of address is a material fact and **you** should report it to **us** before **you** move.

14 Index-linking

If **you** have requested a specific sum insured amount for **buildings** or **contents** cover on which to base **your** premium, **we** will change the **maximum claim limit** each month. **We** will assess it each year on the renewal date. The change will be in line with the published Consumer Durables Index for **contents** cover and the House Rebuilding Cost Index for **buildings**.

The amended **maximum claim limit** and the renewal premium will be shown in **your** renewal notice. **We** will not reduce these limits if an index value reduces unless **you** ask **us** to do so. Index-linking the **buildings maximum claim limit** will continue during replacement or repair following a loss or damage as long as the replacement or repair is carried out without unnecessary delay.

If **you** have not requested a specific sum insured amount for **buildings** or **contents** index linking will not apply.

Policy conditions - continued

15 No-claims discount

As long as a claim has not been made during the **period of insurance** immediately before **your** renewal, **we** will include any available discount in **your** renewal premium. **You** may not transfer this discount to any other person.

If a claim is made during the **period of insurance**, at renewal any available discount will be reduced or removed. This means that **you** may have to pay a higher renewal premium. In addition **we** may increase **your excess** from renewal.

16 Language

The contractual terms and conditions and other information relating to this contract will be in the English Language.

17 Lapsed policy warning

In some situations (for example, if **you** live in an area likely to flood) if **you** decide not to renew **your** policy with **us**, **you** may find it difficult to arrange alternative cover or start a new policy with **us** at a later date. To avoid any breaks in **your** cover, **you** should make sure **your** new insurance application has been accepted before **your** current policy expires.

Policy exclusions

The policy does not cover the following.

- Any loss or damage (including related cost or expense) caused by any act of terrorism no matter whether any other cause or event contributes at the same time or in any other order to the loss.

For the purpose of this exclusion, an act of terrorism means using or threatening to use:

- force or violence (or both); or
- biological, chemical or nuclear force.

The act must be carried out by any person or group of people, whether acting alone or on behalf of or in connection with any organisation or government, for political, religious or similar purposes, including the intention to influence any government or to put the public or any section of the public in fear. However, losses caused by or resulting from riot, strike, civil commotion and malicious damage are not excluded.

- Any action taken to control or prevent terrorism.
- Loss, damage, injury or legal liability directly or indirectly caused by or contributed to by:
 - riot or civil disturbance outside the United Kingdom, the Isle of Man or the Channel Islands;
 - riot, civil disturbance, strikes, industrial action or malicious acts committed in Northern Ireland by people acting on behalf of or in connection with any political organisation;
 - property being confiscated or detained by customs or other officials;
 - pressure waves caused by aircraft and other flying objects travelling at any speed;
 - ionising, radiation or radioactive contamination from any nuclear fuel or nuclear waste arising from burning nuclear fuel;
 - the radioactive, poisonous, explosive or other dangerous properties of any nuclear equipment or nuclear part of that equipment; or

- Pollution or contamination by any substances, forces or emissions (such as radiation) or organisms, or any combination of them, if the pollution or contamination:
 - did not happen suddenly;
 - was the result of an intentional act;

- was expected or should have been expected;
- happened before the policy started; or
- is not reported to **us** as soon as possible and within 30 days of the end of the **period of insurance** in which it happened.
- Consequential or indirect losses (that is any loss, damage or additional expense, which happens as a result of, or is a side effect of, the event for which **you** are insured). This includes but is not limited to the following:
 - loss of earnings, travel costs, loss assessor fees, the cost of preparing a claim, compensation for stress and/or inconvenience.
- Property more specifically covered by another policy of insurance.
- Any criminal or deliberate act by **you** or **your family**.
- Any reduction in the market value of any property following its repair or reinstatement.
